ROGER RABBIT, DETECTIVE

Something very funny is going on in Toontown. Creepy Judge Doom, who hates Toons, is attempting a takeover! He gets five sleazy Weasels to do his dirty work, and they kidnap Jessica Rabbit!

Roger's got to rescue her. First he must collect his wits, and then the evidence and clues needed to arrest Judge Doom. The town is full of information, but Roger must talk to the right people to get it. And he's got to find Eddie Valiant to help him.

Toontown is a maze of streets, alleys, offices and shops. The clues, evidence, and witnesses could be anywhere.

Hurry, Roger! There's not much time. Judge Doom and the Weasels are determined to get what they want. And you've got to make sure they don't.

- Duck down, search something or pick up an Item.

THE SEARCH IS ON!

Ring-a-ding! Jing-a-ling! Take that call Roger. Walk up to the phone and press button **A**. You're about to hear some startling news. And get yourself into some hair-raising situations! Jessica Rabbit is in danger. You don't have much time to find her before Judge Doom takes over Toontown. You'll spend all your time solving riddles and gathering evidence. But once in a while you may end up in a fight, especially when the tough Toons start shooting!

If you get hurt, you'll lose some strength. The hearts at the top left of the screen show how much strength you have left. You can regain strength by picking up carrots you find on the ground. But if you're on your last heart, it's rabbit wipe-out when a bad Toon catches up with you!

If you get turned into rabbit food, you can start a scene over or begin a new game. On the screen that appears, choose **Continue** or **Start** with the control pad, and then press **Start** or button **A**.

To pick up an Item, get as close as you can to it and then press button **A**. The Item will go into the Toon Tools and Items box. If you pick up a carrot, you get more strength right away.

TOONTOWN TRAILS

You're hot on the trail or are you? Your hunt takes you through six scenes of discovery, deduction, and d-d-d-danger! You may get valuable clues in Marvin Acme's office, or you might duck down and alley only to get trapped in an ambush!

Visit the Ink and Paint Club, where the action is hot! Talk to Delores, and find out what Lucy knows. Get Eddie Valiant to help you, even if you have to say "Puh-lease!"

Figure out what it takes to get the Weasels to stop! Threats?

Evidence? A punch in the kisser? They just might surprise you.

TOON TIPS

- Search all the streets, alleys, buildings and rooms. Try to remember the way you went, so you can go another way next time.
- Talk to everyone. You'll get hints that help you figure out where to go or what to do next.
- Use the whistle to call Benny the Cab. He'll help you get places fast, and catch those slippery crooks.

USING A PASSWORD

When you finish a scene, you'll see a secret password. Write it down. (You might also want to write down the number of the next scene you will play, so you'll know where you got the password.) Then press **Start** to go on to the next scene.

The next time you play **Who Framed Roger Rabbit**, you can start at the place where you got the password. Here's how:

- 1. Use the control pad to choose Password from the title screen.*
- 2. On the next screen, use the control pad to move the marker to the first letter or number in the password. Then press button A. The letter will appear on the line at the top of the screen.*
- 3. In the same way, select all the letters or numbers of the password in order. When you're finished, the game will begin at the scene for that password.*

Note: *If you enter the password incorrectly, you can try again.*
